"A proud tradition of
staging the very best of
thoroughbred racing
dating back to 1731"

Everyone at York Racecourse wants you to join us during the 2017 racing season.

Hopefully, this guide will whet your appetite for spending a day with us this summer.

York Racecourse has a proud tradition of staging the very best of thoroughbred racing dating back to 1731. We are honoured to host the best race in Great Britain, the Group One Juddmonte International, as announced by the International Federation of Horseracing Authorities.

We have no beneficial shareholders and pay no dividends – everything we make is reinvested into prize money, facilities and the raceday experience, so thank you in advance for your support.

Please do not hesitate to contact the team here if you have further queries (see the back page for their contact details).

I very much look forward to welcoming you.

Lord Grimthorpe, Chairman of York Race Committee
