

**OLLY MURS** Saturday 27 June

Friday 24 July (eve)

Saturday 25 July

## **YOUR GUIDE TO RACING AND MUSIC EVENTS AT YORK RACES**

### **GETTING HERE**

York Racecourse lies within a mile of the city centre and is served by convenient road and rail routes:

- by train, York station is just one-mile north of the track, with shuttle buses and taxis offering a good raceday service, including after the music.
- by car, follow the directional signposts from all major routes, there is a plentiful supply of free car parking around the racecourse.

### **GETTING IN**

MUSIC RACEDAYS ONLY; Saturday 28 June, Friday 25 (evening) and Saturday 26 July

- Children aged 5 - 17 need a special £10 ticket, maximum two children per adult.

There are a limited number of children's tickets available, once this allocation has been reached the full adult price ticket applies.

On the other fifteen racedays, children under 18 are admitted free of charge, with an accompanying adult.

To meet our license obligations admittance is not possible after the last race.

### **TIMINGS**

It is planned that the live music will finish between 7pm and 7.30pm on the Saturdays, with the Friday evening concluding between 10.15pm – 10.30pm.

As the event is a combined racing and music ticket, racegoers are required to be at the racecourse by the time of the last race. We hope you arrive for the first race on each day and so enjoy the full experience. Gates open at 11.15am on both the Saturday and 4pm on Friday 25 July.

### **FOOD & DRINK**

On a practical level, the racecourse has significantly increased its provision in areas such as the toilets or "good food to go" outlets. However, these are likely to be busy at key times, such as those nearest the stage immediately before the concert. Please use facilities in all areas of the racecourse.

It is not possible to bring your own food and drinks into the advance booked enclosures, however there are a wide range of food and drink options available on the day. Please see [yorkracecourse.co.uk](http://yorkracecourse.co.uk) for more details.
