Welcome to York Racecourse

Everyone at York Racecourse very much looks forward to welcoming you to the Knavesmire for the 2026 season.

This booklet has been produced to provide connections with information prior to your visit. Please do not hesitate to contact the team if you have further queries (see page 22 for our contact details).

York Racecourse has a proud tradition of staging the very best of thoroughbred racing, dating back to 1731. York is an independent racecourse run for the good of racing. We have no beneficial shareholders and pay no dividends – everything we make is reinvested into prize money, facilities and the racing experience. Despite the current climate our long-term commitment to grow prize money will see another record investment of £12.5m across our 18-day season (an increase of over £400,000 on last year). Every race at York will have a prize fund of at least £25,000 so rewarding a wide spectrum of thoroughbreds.

Our season has 30 pattern races with a record 44 contests now offering a purse of six figures or more. The William Hill Summer Stakes (Group 3) and John Smith's Silver Cup Stakes (Group 3) are both now worth £100,000.

Our flagship meeting the Sky Bet Ebor Festival runs from Wednesday 19 to Saturday 22 August with a record prize fund of £7.5m and every race offering at least £100,000. With a Group One on every day, the £1.5m Juddmonte International will be the richest race ever run on the Knavesmire. We are delighted that the most recent winner of the Tattersalls Acomb Stakes, Gewan, was the highest rated juvenile in the world and that the Sky Bet City of York Stakes, after its first renewal as a Group 1, is already in the top 100 races in the world on ratings. The Sky Bet Ebor, probably our most famous race, will be the richest flat handicap in Europe, offering £500,000.

During the winter we have continued our investment in the racing surface, Parade Ring, Stableside complex and our box facilities. We were thrilled to welcome a record number of runners to York in 2025 and to scoop a number of awards. Such investment is only possible through your support, and we remain keen to live up to these and other accolades during the coming season.

The York Race Committee, the York team and I very much look forward to making your visit to York as enjoyable and memorable as possible. Good luck for the season ahead!

Bridget Guerin, Chairman of York Racecourse

Jockey Information

Jockeys riding on the day are entitled to two complimentary County Stand badges for their family and friends to be requested, either before the raceday ([Alice Brooke, ycrowners@yorkracecourse.co.uk](mailto:ycrowners@yorkracecourse.co.uk)) or in person and signed for at the Owners and Trainers' entrance.

Our Weighing Room is designed to provide modern, first-class facilities for jockeys, stewards and medical teams with larger and better facilities for jockeys to change, rest between races, receive physio and medical treatment, thus creating a professional environment to prepare for rides whilst sited in a central location to the parade ring and saddling boxes. Alyson Deniel is our licensed and experienced female jockeys valet assistant, who will be based in the female jockey changing area.

A jockey physiotherapist will be present on all racedays for those who require treatment.

We have worked closely with Liverpool John Moores University to specially tailor our jockeys' menu.

Champion Jockey and Trainer

We have individual awards for the leading trainer and jockey at York, both over the season and at the Sky Bet Ebor Festival.

The 2025 Living North Champion Jockey, Tom Marquand, posted 9 winners. William Haggas secured the Champion Trainer award, in a tight finish with Andrew Balding.

The 2026 Champion trainer will receive £2,500 for the stable and a Christmas Party for up to 40 of the team at York.

Racing Staff Information

Best Turned Out Yard Award

Every race run at York has a best turned out prize, of a minimum of £100, as well as a season long series for the leading yard.

York racecourse came out as the best racecourse in terms of staff and equine facilities in the NARS Racecourse Ratings of 2025.

While that is an outstanding achievement, its total score of 139 points from a maximum of 140 sets a standard and precedent that will be hard to better.

The day, overnight and canteen facilities are truly top class, but it is the attention to every detail, no matter how small that really sets York apart.

The staff employed at York racecourse act with the utmost professionalism and their pride in working at York racecourse is evident in every outcome.
