PROPER HOSPITALITY

Bridget Guerin, Chairman of York Race Committee welcomes you for a proper British racing experience

“A proud tradition of staging the very best of thoroughbred racing dating back to 1731”

Everyone at York Racecourse hopes you will be permitted to join us during the 2021 racing season.

At the time of writing, we remain positive about the climate for spring 2021, though realistic that the winter months will continue to be challenging for many.

Please rest assured that any booking made with York Racecourse is fully refundable.

As you'd expect, any Covid-19 safety protocols applicable at the time will be strictly observed.

Though you may not yet be ready to book, hopefully, this guide will whet your appetite for spending a day with us in the summer.

York Racecourse has a proud tradition of staging the very best of thoroughbred racing dating back to 1731. We are honoured to host the Juddmonte International, previously ranked the best race in the world and the Sky Bet Ebor, Europe's richest flat handicap.

We have no beneficial shareholders and pay no dividends – everything we make is reinvested into prize money, facilities and the raceday experience, so thank you in advance for your support.

Please do not hesitate to contact the team here if you have further queries (see the back page for their contact details).

I very much look forward to welcoming you.
